*India's Best Educational Institution for :-*

**JEE (Main+Adv.)/AIPMT**

**TECHNO VISION** Super-30

**The Path to become an IITian...**

## About the Institute

TECHNO VISION was founded on 21st January, 2004 with a concept to provide objective centric coaching education in a different, innovative and affable learning environment in the challenging filed of IIT-JEE (MAIN) & AIPMT preparation. The institute was named as Techno Vision with the commitment to enhance the benefits of teaching up to the greatest level of satisfaction of students and to brings them in the frequency band of teacher so that the scientific phenomenon of TECHNO VISION becomes a reality.

In six years of its inception, the institute has risen beyond all the expectations and the volume and quality of results have proved the success of its mission. The growth in number of students enrollment in classroom coaching as well as selections in IIT-JEE (MAIN) & AIPMT is matchless as compared to any other institute in the country offering classroom courses for IIT - JEE (MAIN) & AIPMT coaching.

Since its beginning, Techno Vision embraced the idea of inclusiveness along with academic excellence and in doing so claimed many firsts in IIT - JEE (MAIN) & AIPMT coaching field. The value system is driven by innovation and improvement in quality of services that are rendered to the students and parents.

It is our belief, "Learning that is redundant is no longer knowledge" and that is why TECHNO VISION continuously updated the courses it offers and also takes initiative in starting new courses. By doing so, it allows students keep them abreast with the latest developments and methodologies in IIT - JEE (MAIN) & AIPMT coaching.

## OUR VISION

To be the most trusted and successful IIT - JEE (Main) & AIPMT training institution in the country.

We envision our transforming the dreams of many into reality by understanding their needs and delivering beyond their expectations. We are committed to providing high quality practice based training programs coupled with well researched study material and thereby create the best value for our students.

We strive to maintain a highly trained, experienced and dedicated faculty with cutting edge teaching methodologies.

We also endeavor to equip every student along with a strong technical foundation, a positive mental attitude and a well defined competitive spirit.

As an institution, we seek to maintain high ethical standards, a culture that values honesty and integrity which we instill in our students to help them achieve greater heights.

## MISSION

Practice Persistence and Performance

## OUR CORE VALUES

Take ownership and deliver success. Foster teamwork. Encourage initiative and innovation. Anticipate change. Surpass competition.

## From the Director's Desk

Dear Students,  
Welcome to Techno Vision.

Cracking any Top Level Competitive Examinations is all about your perseverance quotient, endurance, learning ability, managing time & stress and zeal to model the path of success drawn by the connoisseur.

To ensure your success in any competitive examination, we have designed our coaching programme in a scientific & systematic manner that develops both your knowledge and your problem solving acumen. To achieve this, we have a team of experienced and most renowned faculty members, most of them being IITians, NITians, Medicos & Prof. Our faculty members are dedicated and devoted individuals of highest caliber with a genuine concern for building your future. The academic environment at TECHNO VISION is highly conducive enabling you to succeed your efforts.

Our research & development team has developed the finest study material and teaching methodology incorporating the latest trends of different competitive examinations. With times we very well learnt the diverse needs of students preparing for competitive examinations.

In our efforts to deliver quality education, we emphasis more on the need to establish one contact with every student and be attentive to his/her need so that the teacher can monitor individual's progress and guide them accordingly on the way to success. In fact, the institute is administered with a "people first" philosophy that makes faculty members, staff, administrators and directors-accessible to students.

Upon induction with TECHNO VISION, you become a part of a powerful force that propels you towards success. If you too put your best efforts then I am sure that, together we can conquer any competitive examination.

Sincerely

**S.K. Singh**  
(B. Tech)  
Managing Director  
**TECHNO VISION**

## IIT-JEE

## "A Decision for Life"

The Indian Institutes of Technology are institutions of national importance established through an Act of Parliament. These institutes play a leading role in technological manpower development and have research programmes comparable to the best in the world.

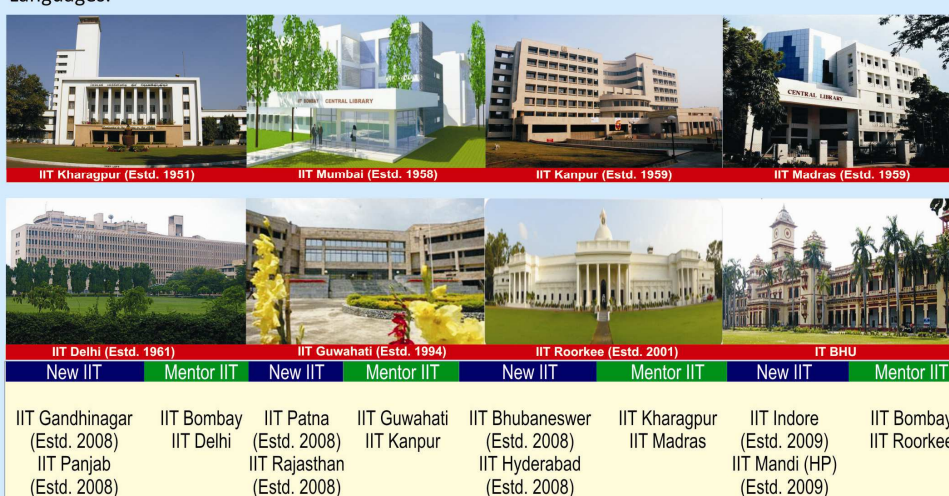

Designed to create an environment conducive to the formation of world class Engineers and Technologists, the standards of excellence maintained by these institutes are recognized and respected the world over. Ranked amongst the top institutes of the world, the degree awarded by the IITs is at par with that awarded by the best universities in the world. Today, alumni of these institutions occupy key positions in industry and academia in India and abroad.

Every year the IITs conduct a Joint Entrance Examination (JEE), to select candidates for the four year B. Tech., B. Pharm., five years B. Arch., M. Tech. and M. Sc. courses offered at their campuses.

### The Pattern of IIT-JEE :

Question Papers : There were two question papers of three hours duration each consisting of separate sections in Physics, Chemistry and Mathematics. Questions in these papers will be objective type. Incorrect answers given negative marks.

Language of question papers : candidates can opt. for Question Papers either in English / Hindi Languages.

### Classroom Programme

For students studying in class XI or finishing class X.

### JEE (MAIN) - The Gateway to NITs

JEE (MAIN) is an initiative taken by the Government of India in the year of 2002 providing very good opportunity to engineering aspirants to get admission in top-notch engineering institutions. Admission to NITs, IITs, self financed deemed universities and many other government funded institutions viz. DCE, NSIT is based on JEE (MAIN). Moreover open seats in various states/institutions are also being filled through this examination in terms of their own counseling and reservation/domicile requirements as in Haryana, Uttranchal and Army Institute of Technology, Pune etc. For complete information about JEE (MAIN), please visit [http://www.JEE\(Main\).nic.in](http://www.JEE(Main).nic.in)

### The Pattern of JEE (MAIN) :

1st paper is for BE/B. Tech, consisting of three parts of Physics, Chemistry and Mathematics of equal weightage with objective type questions. 2nd paper is for B. Architecture and B. Planning - consisting of Mathematics, Aptitude Test and Drawing. Each paper is of three hours of duration.

## Classroom Programme

**Two years dual advantage programme-for students studying in Class XI or finished Class X**

This is a 1000+ hours programme divided into 5 units and includes unit quizzes, 5 units tests and test series. Different batches start from April to July. Units 1 to 3 are covered in the first year and units 4 to 5 in the second year. For batches commencing August / September, Unit 3 to 5 will be covered in the second year. Weekend option is also available.

**For students studying in class XII and class XII pass**

This is a 800 hours programme commencing April/May. It is divided into 3 units and includes unit quizzes, 3 unit tests and test series. Weekend option is also available.

### CRASH COURSE

This is a 60 days programme commencing November/December.

### AIPMT

The Central Board of Secondary Education, Delhi, conducting the All India Pre-Medical/Pre-Dental Entrance Examination is being conducted exclusively for the 15% merit positions for the Medical/Dental Colleges of India.

#### The Pattern of AIPMT (NEET) :

The entrance examination consists of :

**Preliminary Examination** - The Preliminary Examination would consist of one paper containing 180 objective type questions. The duration of paper would be 3 hours. This is the qualifying exam for final examination.

**Final Examination** - The Final Examination would consist of (two non-objective papers changed from closed 2010) each of 2 hours duration. Paper 1 would contain questions from Physics & Chemistry and Paper -2 would contain question from Biology.

It is also brought to the notice that the pattern would be changed from AIPMT-2010 examination (it will be objective type paper).

### ***SALIENT FEATURE OF THIS PROGRAMME***

Academic Research & Development (R & D)  
Ample Classroom contact hours.  
Appraisal of preparation through periodical tests.  
Daily Practice Problems (DPPs)  
Difficulty Removal Session.  
Doubt Clearing Classes.  
Extensive coaching schedule.  
Extraordinary Faculties of IITians/Medicos & Prof.  
Individual performance feed-back.  
Library facilities.  
Printed assignments for Home Work.  
Separate Hostel for Boys & Girls.  
Sound practice of exam pattern through VSTS (Very Similar Tests)  
Study material of academic excellence.  
Through covering of all subjects.

**One Year Contact Classroom programme for-  
12th appearing/appeared students.**

**Two year Contact Classroom programme for -  
10th pass students.**

**Three/Four year adoption programme for -  
9th & 10th (NTSE/Olympiad) appearing students.**
